

# **Feedback Analysis**

As feedback of student, teachers and alumni has to be taken on curriculum. The following things observed in each section.

## **STUDENTS**

- The curriculum is up to the mark, each unit is well divide into different chapters. So that it is easy to student to understand the concept of the subject as well as the course.

## **TEACHERS**

- According to the teachers the syllabus is properly divided but the revision of the syllabus should be done, easy 5 years.

## **ALUMNI**

- As the feedback taken from the alumni it was found that the course as well as the syllabus is adequate
- On an average 85% of the syllabus has been taught in the class.
- Overall the course and the education is good.

## **REPORT**

The feedback of three categories has been submitted to IQAC cell. The cell has forwarded the feedback to the BOS. So with regards to this they have revised the syllabus.
